

Daily Safety Report

Summarize the shift's safety conditions, observations, events and follow-up actions.

Company: _____ Home base: _____

Record no. _____ Record revision: _____ Date / time: _____

Site / lease / project: _____ Job / dispatch: _____

Location / LSD / address: _____

Task / scope: _____

Supervisor / assessor: _____ Crew / contractor: _____

Units / equipment: _____ Related permits / procedures: _____

Area type: ☐ Construction ☐ Oilfield ☐ Trucking yard / base ☐ Other: _____

Shift overview

Shift / start and end: _____ Workers / contractors on site: _____

Weather / ground / visibility: _____

Main activities / simultaneous operations: _____

Safety activity summary

Activity	Count or reference	Notes / outstanding items
Briefings / toolbox talks		
JSA / hazard assessments reviewed		
Inspections / equipment checks		
Permits / isolations reviewed		

Observations and events

Record what was observed and actions taken. Link detailed incident reports separately; avoid unnecessary personal or medical information.

Time / area	Observation or event and reference	Immediate response / person notified

Incidents / near misses: ☐ None reported this shift ☐ See linked report(s) ☐ Not confirmed

Good practices / crew concerns: _____

Changes affecting the next shift: _____

Daily Safety Report Follow Up

Record no. _____ Date: _____ Site: _____

Corrective actions and accountability

Link each action to a finding, checklist item or observation. Record interim controls and verify completion before closing the action.

Item / finding and required action	Owner	Due / priority	Verification and closure reference

Exceptions and outstanding conditions

NA reasons / unverified items / areas requiring further assessment:

Work / area status: ☐ No unresolved items identified within scope ☐ Restrictions remain

☐ Affected work on hold ☐ Further assessment required

Restrictions / interim controls: _____

Person notified / date / time: _____

Review and handover

Prepared / inspected by: _____ Role: _____

Signature: _____ Date / time: _____

Supervisor / reviewer: _____ Signature: _____

Review date / time: _____ Follow-up inspection / review due: _____

Handover to / acknowledgement: _____

Attachments / photo / incident / work order references: _____

Closure verification

☐ Actions remain open ☐ Actions verified closed ☐ See individual action records

Verified by: _____ Signature: _____

Date / time: _____ Verification evidence: _____

Use site and company procedures to assess findings and release restricted work. A completed form records the stated scope and observations; it is not a blanket authorization for all site activities. Preserve original signed records and link later corrections or closure evidence.
