

Pre Job Safety Checklist

Verify the applicable readiness checks before work. Record unresolved items and who will resolve them.

Company: _____ Home base: _____

Record no. _____ Record revision: _____ Date / time: _____

Site / lease / project: _____ Job / dispatch: _____

Location / LSD / address: _____

Task / scope: _____

Supervisor / assessor: _____ Crew / contractor: _____

Units / equipment: _____ Related permits / procedures: _____

Readiness checks

Mark Y = verified, N = unresolved, or NA = not applicable. Explain N and NA below or on a linked sheet. A blank answer is not a pass.

Check	Y	N	NA
Task, scope, work boundaries and crew responsibilities understood			
Site orientation, communication and required competency verified			
JSA / hazard assessment reviewed with the crew			
Required permits and client / site authorizations confirmed			
Equipment, guards and required inspections checked			
Isolation, stored energy and pressure controls verified where applicable			
Utilities, overhead lines and ground disturbance controls addressed			
Traffic, reversing, spotters and exclusion zones coordinated			
Lifting, heights, excavation or confined-space plans verified if applicable			
Atmospheric hazards, gas testing and monitoring addressed if applicable			
PPE, chemical information and task-specific controls available			
Weather, ground conditions, visibility and fitness for task reviewed			
Emergency contacts, muster, first aid and rescue arrangements reviewed			
Spill controls, waste handling and nearby work coordinated			

NA explanations / supporting record IDs: _____

Pre Job Safety Checklist Review

Record no. _____ Date: _____ Site: _____

Outstanding actions and verification

Issue or required action	Owner	Due / hold point	Verified by and time

Emergency contact / number: _____ Radio / communication: _____

Muster / emergency access location: _____

Work status and review

☐ Ready under verified controls ☐ Hold affected work ☐ Not yet assessed

Limits / remaining restrictions: _____

Supervisor / authorized reviewer: _____ Signature: _____

Review date / time: _____ Next review / trigger: _____

Stop affected work and reassess if scope, equipment, crew, conditions or controls change, or a new hazard is identified. Resolve required actions before releasing affected work.

Crew acknowledgement

I have reviewed the task, hazards and controls, and had the opportunity to raise concerns. My signature records this review; it does not replace permits or competency verification.

Printed name	Company / role	Signature	Date / time

Late arrivals / changes briefed by and time: _____

Use the company's approved procedures and risk criteria. Enter N/A where appropriate and identify all continuation pages by record number. Preserve signed originals when revising.
